

**Wet on Wet Oil painting
workshops by Yve Hill,
Certified Ross Instructor.
CRIL and CRIF.
8 Places only**

The workshops are on Saturday 18th November and Saturday 17th February at Smisby Village Hall. ALL painting equipment is provided on the day. This will include the canvas you will be painting on, all the paints and mediums required and all other equipment such as pallet brushes and knives. You will take home a finished painting, you will be proud of. I only teach a maximum of 8 people because of the special equipment required, and I want to spend enough time with each person.

Just bring along yourself, an apron, a kitchen roll and some wet wipes.

Price per workshop is £35, £30 if paid on joining night. They will commence at 12.30 and finish at 5 pm.
